Cre8 Workers and Cre8 Family

Dear All,

As you may have seen on our social media pages over the last week we have tried to readjust daily and to ensure we can deliver our services whilst assessing risk and impact daily.

The decision today is to stop all face to face work. This includes Learning Plus, Youthwork, Music, and Cre8 Facilities - however with our staff working from home to deliver distance youthwork (whatever that might look like), and keep in contact through our programmes of activities which will be shaped over the coming weeks. I am also drafting new projects and applying for emergency funding that we can do even with the current restrictions - I'll be in touch as necessary.

I am very aware we are all worried about an uncertain future, we have therefore decided that all workers will be paid their usual rate of pay over the coming weeks and months, this will be reviewed by the Finance Committee when needed.

For those that could meet today (4 of us!) we said our farewells from different sofas - it's a sad and difficult time, but we are hopeful that Cre8 will adjust creatively to the challenges ahead - our priority is the well-being of all our Community.

Project Grow will continue led by Katy and myself, and as long as we have food we will continue to deliver albeit with a very much reduced team, with social distancing and appropriate hygiene methods.

I felt it important to get this key message out today, The House and The Building are now closed and accessed only by Katy or myself, please bear with us, things may change but we will use Facebook and Instagram to keep you updated - and Mailchimp newsletters so we can hit all our volunteers.

I appreciate each and every one of you, our work is incredible, our community is strong, we will continue to care for each other.

Thank you for your support. If you need to call me please do, if you need support contact us on social media, our youth projects and music project leads are still working from home and I am sure will update you with the latest initiative to keep us all connected.

God Bless and stay safe - Ameera
