Hello and welcome to our December 2023 Newsletter. Below you will find an update about what our lovely team has been up to and what's been going on at the Cre8 House along with upcoming events.

Thank You

Thank you to the Macclesfield Harriers!

Macclesfield Harriers received a payment for marshalling at the recent Macclesfield half marathon which they decided to donate to charity. Cre8 was one of the charities chosen by the marshals.

Emma Mason from the Harriers also donated the proceeds from a fell race she organised in the summer in memory of her partner who passed away in his early 30's a few years ago. This race was supported by a large number of volunteers from the Harriers.

Thank you Henry!

If you didn't know, Henry walked over 400 miles from Macclesfield to Paris! He raised a whopping £20,000 for children and families in need at this time of year and is distributing the funds. We are very grateful to have received a slice.

A huge thank you to everyone who has bought a Christmas tree from us!! Buying a tree from us helps support the work we do with young people. Please call the office on 01625 503740 if you'd like one of the last few remaining trees.

What's been happening ...

At Club this month we had an evening of gaming thanks to The Youth Federation who supplied us with a Tech Truck full of Xboxes.

It's been great to welcome Carl to our Cre8 Facilities project, helping young adults enter the world of work and also to Emily who is supporting the final few months of Project Grow as we progress into a sustainable Cre8 Surplus Food Grocery.

Youth Work Week was 6-12 November when we celebrated Youth Work in Music, Clubs and Enterprise. We also presented at a National Youth Agency workshop on how we use the Youth Work Curriculum in our Learning Plus Programme.

Thank you so much for all those who support us with time through volunteering - our Trustee group, our local support networks and partner organisations - and those who entrust us with donations which go directly to supporting young people and families in our community. Your support means so much to us, especially at this current time when so many people need comfort in our community. We celebrate each and every one of you.
