COVID-19 Latest Update

In the last 24 hours we have found things are changing rapidly. With the latest government advice, **we are cancelling non-essential group activities.**

However, as we are committed to being a positive presence in the community, we are considering what small group activities could take place with young people - e.g. leafleting to distribute food.

We will continue to support the Cre8 family, and to make things happen in a safe way we are creative, imaginative, and thankfully, well-supported - we will try to continue to thrive and support all that we can.

- **Clubs are going to be cancelled until further notice.**
- **We want to continue 121 sessions such as Learning Plus, and we are reorganising Music to deliver 121 music tutorials only - so no group drop-ins.**
- **The Grocery will continue today, and will be operating in a different way. Our clients will need to be adaptable and flexible to changing**

ways of working. We are thinking about continuing with the BIG GIVE ethos and trying to deliver food parcels across the Moss and further is possible.

- **The Garden will continue on Friday afternoons. We will be practising social-distancing, but we will enjoy the beautiful garden together if we still can.**

Good news! We are getting a refrigerated vehicle tomorrow. We are fortunate with lots of offers of support from individuals and partner organisations - watch this space! We are here for you, but also we need to look after each other and ourselves so that we can continue.

Cre8 is here to stay, we are a non-profit organisation, we are robust and sustainable, we are small but mighty, and will continue to do our best to support everybody that needs it.

Please call our office if you are in need of help and support and we will do our best to help!
